

Terms and conditions:

This website is for informative purposes only. Before accessing it, please read the "Terms and Conditions" section below.

Accessing the website implies acceptance of the conditions in this section. If you do not accept these terms, you may not access or use the information contained on this website.

Phagenesis Limited uses all the means available to ensure the timeliness and accuracy of the information presented on its website. However, the company does not guarantee the actual, exact or complete character of the information. Phagenesis Limited or any other person involved in the design and/ or hosting of the website is relieved of any liability whatsoever for any damages, whether direct or indirect, resulting from access, use or inability to use this website or any omissions or errors in the website. Phagenesis Limited is not responsible for the damages suffered by third parties by using the information contained on this website. Phagenesis Limited will not be liable for any damages suffered by the user's computer equipment, including as a result of virus infection. For these reasons, the user accepts that access to and use of the website is at its own risk. If the user violates these terms of use, he undertakes to cover any damages caused to Phagenesis Limited, including court fees, lawyers' fees, or any other legal expenses.

The general information contained in this website about various conditions or their treatment is not intended to replace the advice provided by medical specialists. Do not use this information to diagnose a health problem or condition you suffer from. Use the website only to inform you for further presentation to a specialist. Phagenesis Limited does not assume liability if these recommendations have not been followed.

Phagenesis Limited owns all copyrights in the content of this website. Any articles or studies using information on the website should specify the source of this information. Distortion of information or removal from context will be sanctioned according to the legal provisions in force. The use of information on the website through violation of industrial property rights is strictly prohibited and is punished in accordance with applicable laws.

The images on the website made available to the press may only be used for articles related to Phagenesis Limited or the medical device industry.

The website may contain links to other useful websites. Phagenesis Limited does not guarantee the legal, correctness or actuality of the content of these websites.

Phagenesis Limited reserves the right to modify the "Terms and Conditions" section. Any changes to the terms of use will be made available to users through the "Terms and Conditions" section of the website.
